The image shows two screenshots of a GitHub repository named 'Test-Training' by 'SarthakRapidops'.

The top screenshot shows the repository's main page. A modal dialog box is displayed in the center with the text: "Fork Test-Training" and "You've already forked Test-Training". Below the dialog, the repository's commit history is visible, showing a series of commits by 'shailendrasinghodi' and 'ravindra-singh' over the last 12 months. The repository has 15 forks and 0 stars.

The bottom screenshot shows the file view for 'template.html' in the 'Test-Training' repository. The file is 687 bytes and contains HTML code. The code includes a header section with a class 'col-sm-1' and a main content area with a class 'col-sm-3'. The main content area contains a form with a label 'Record Name' and a text input field. The code also includes a footer section with a class 'col-sm-1'.
